

Building Projects at I-35 CSD

Interstate 35 Community School District Facilities Improvements:

- ◇ Auditorium
- ◇ Career and Technical Education (CTE) building
- ◇ HVAC (air conditioning)
- ◇ Fine Arts Center
- ◇ Enlarged elementary cafeteria
- ◇ Enlarged high school commons and redesigned main entry
- ◇ Bus shed
- ◇ Maintenance shop

Special election on Tuesday, February 7, 2017:

- ◇ 12:00-8:00 pm
- ◇ New Virginia Lions Building
- ◇ St. Charles Parish
- ◇ Truro Public Library

The I-35 Facilities Committee is hosting informational meetings at 6:30 pm on Wednesday, January 25 (Farmers & Merchants State Bank, St. Charles), Thursday, January 26 (school), and Wednesday, February 1 (Gerry Allen Building, New Virginia)

Estimated costs for these projects is \$12-\$15 million; payment would include a general obligation bond up to \$7 million with the remainder from the Secure an Advanced Vision for Education (SAVE—state sales tax penny) fund. Because the current bond is retired in June 2017, **THERE WILL BE NO PROPERTY TAX INCREASE FOR DISTRICT PATRONS!**

These projects will greatly enhance opportunities for Roadrunner students of today and the next 50 years — and not cost any additional tax money for district patrons.
